CERTIFIED COPY OF CORPORATE RESOLUTION

WE, William J. Landa and Walter Turken, respectively the President and Secretary of Costa Del Sol Association, Inc., a Florida non-profit corporation do hereby certify that the following is a true and correct copy of a Resolution adopted at a special meeting of the members and all of the Directors of the Corporation duly held in accordance with the Articles of Incorporation and its By-Laws on May 1, 1975:

BE IT RESOLVED by the Board of Directors of Costa Del Sol Association, Inc. that said Board deems it advisable that Article V of the Certificate of Incorporation be amended, changed and altered so that it reads as follows and contains the following provisions:

ARTICLE V
ASSESSMENTS

In furtherance of the grant to levy and collect assessments, and the other purposes of this Corporation, the Corporation shall have the right:

- (a) To determine the time, manner and amount of such assessment, except that the amount of such assessments shall be uniform for each member assessed.
- (b) To maintain a general operating reserve as determined by the Board of Directors.
- (c) To file and enforce liens for such assessments upon each member's condominium unit and its appurtenant undivided interest in any common and/or limited property of the condominium building in which such condominium is located, which lien shall secure interest, if any, on delinquent assessments, costs, expenses and a reasonable attorney's fee incurred to enforce said lien. The lien granted to the Corporation may be foreclosed in the same manner as real estate mortgages or other liens may be foreclosed in the State of Florida; and in any suit for the foreclosure of said lien, the corporation shall be entitled to rental from the owners of such property, subject to the lien on the date on which the payment of any assessment or installment thereof becomes delinquent and shall be entitled to a receive for said property without notice to the owner of such property. The lien granted to the Corporation shall further secure such advances for taxes and payments on account of superior mortgages, liens or encumbrances which may be required to be advanced by the Corporation in order to preserve and protect its lien; and the Corporation shall further be entitled to interest at the rate of ten percent (10%) per annum on any such advances made for such purpose. All persons, firms or corporations who shall acquire, by whatever means, any interest in the ownership of any such property, or who may be given or acquire a mortgage, lien or other encumbrance thereon is hereby placed on notice

RE 8667 R1271

of the lien granted to the Corporation, and shall acquire such interest and any such property expressly subject to such lien which shall be effective upon its recording as provided hereinafter; provided, however, that the lien of the assessments provided for herein shall be subordinate to the lien of any bona fide institutional mortgage or mortgages now or hereafter placed upon the lot subject to assessment. If an institutional mortgagee takes title to a lot by foreclosure or by a deed in lieu of foreclosure any and all liens for all past due assessments shall be cancelled. Upon sale of the lot by the institutional mortgagee, the lien for assessments provided for herein shall revive and be continued against the lot for all subsequent assessments, except that no sale or transfer of any kind or nature shall relieve any owner of any lot from liability for any assessments. An institutional mortgage is one made in favor of any national or state bank, insurance company, or state or federal savings and loan association.

The lien herein granted unto the corporation shall be effective from and after the time of recording in the Public Records of Dade County, Florida, of a claim of lien stating the description of the property encumbered thereby, the name of the record owner, the amount due and date when due; and lien shall continue in effect until all sums secured by said lien as herein provided, shall have been fully paid.

Notwithstanding anything herein to the contrary, a mortgagee acquiring title to the condominium parcel and/or lot and/or private dwelling as the terms are used herein and in the applicable Florida Statutes during its ownership of any such private dwelling and/or condominium parcel and/or lot shall be responsible for the payment of condominium expenses attributable to such private dwelling and/or condominium parcel and/or lot coming due during the period of such ownership.

~~We further certify that said Resolution has not been altered,~~
 modified or amended in any manner whatsoever, and is presently in full force and effect.

various Declarations, the Articles or these By-Laws. As used in these By-Laws, the Articles or the Declarations, the terms "majority of the Unit Owners" and "majority of the members" shall mean a majority of the voting interests of Unit Owners and not a majority of members themselves and shall further mean more than fifty (50%) percent of the then total authorized voting interests present in person or by proxy and voting at any meeting of the Unit Owners at which a quorum shall have been attained. Similarly, if some greater percentage of members is required herein or in the various Declarations, or Articles, it shall mean such greater percentage of the voting interests of members and not of the members themselves.

- (c) Voting Member. If a Unit is owned by one person, his right to vote shall be established by the roster of members. If a unit is owned by more than one person, the person entitled to cast the vote for the Unit shall be designated by a certificate signed by all of the record owners of the Unit according to the roster of Unit owners and filed with the Secretary of the Association. Such person need not be a Unit owner, nor one of the joint owners. If a Unit is owned by a corporation, the person entitled to cast the vote for the Unit shall be designated by a Voting Certificate signed by an appropriate officer of the corporation and filed with the Secretary of the Association. Such person need not be a Unit Owner. Those Voting Certificates shall be valid until revoked or until superseded by a subsequent Voting Certificate or until a change in the ownership of the Unit concerned. A Voting Certificate designating the person entitled to cast the vote for a Unit may be revoked if by a record owner of an undivided interest in the Unit. If a Voting Certificate designating the person entitled to cast the vote for Unit for which the Voting Certificate is required is not on file or has been revoked, the vote of the Owner(s) of such Unit shall not be considered in determining whether a quorum is present, nor for any other purpose, and the total number of authorized votes in the Association shall be reduced accordingly until the Voting Certificate is filed, except if the Unit is owned jointly by a husband and wife, they may, without being required to do so, designate a voting member in the manner provided above. Such designee need not be a Unit Owner. In the event a husband and wife do not designate a voting member, the following provisions shall apply:

- (i) If both are present at a meeting and are unable to concur in their decision upon any subject requiring a vote, they shall lose their right to vote on that subject at that meeting, and their vote shall not be considered in determining whether a quorum is present on that subject at the meeting (and the total number of

OFF. REC. 16030P0299

authorized votes in the Association shall be reduced accordingly for such subject only).

- (ii) If only one is present at a meeting, the person present shall be counted for purposes of a quorum and may cast the Unit vote just as though he or she owned the Unit individually, and without establishing the concurrence of the absent person.
- (iii) If both are present at a meeting and concur, either one may cast the Unit vote.

Section 3.6 Proxies. Votes may be cast in person or by proxy. A proxy may be made by any person entitled to vote, but shall only be valid for the specific meeting for which originally given and any lawful adjourned meetings thereof. In no event shall any proxy be valid for a period longer than ninety (90) days after the date of the first meeting for which it was given. Every proxy shall be revocable at any time at the pleasure of the person executing it. A proxy must be in writing, signed by the person authorized to cast the vote for the Unit (as above described), specify the date, time and place of the meeting for which it is given and be filed with the Secretary before the appointed time of the meeting, or before the time to which the meeting is adjourned. Holders of proxies need not be Unit Owners.

Section 3.7 Adjourned Meetings. If any proposed meeting cannot be organized because a quorum has not been attained, the members who are present, either in person or by proxy, may adjourn the meeting from time to time until a reduced quorum as provided in Section 3.4 hereof is present, provided notice of the newly scheduled meeting is given in the manner required for the giving of notice of a meeting. The notice of the newly scheduled meeting shall provide for among other things, that the quorum requirement has been reduced; and that a quorum shall be attained by the presence either in person or by proxy of persons entitled to cast 33 1/3% of the voting interests of the entire membership. Proxies given for the adjourned meeting shall be valid for the newly scheduled meeting unless revoked for reasons other than the new date of the meeting.

Section 3.8 Order of Business. If a quorum has been attained, the order of business at annual members' meetings and, if applicable, at other members' meetings, shall be:

- (a) Call to order by President;
- (b) Appointment by the President of a chairman of the meeting (who need not be a member or a director);
- (c) Proof of notice of the meeting or waiver of notice;
- (d) Reading of minutes;

- (e) Reports of officers;
- (f) Reports of committees;
- (g) Appointment of inspectors of election;
- (h) Election of Directors;
- (i) Unfinished business;

- (j) New business;
- (k) Adjournment.

Such order may be waived in whole or in part by direction of the chairman.

Section 3.9 Minutes of Meeting. The minutes of all meetings of members shall be kept in a book available for inspection by members or their authorized representatives and Board members at any reasonable time. The Association shall retain these minutes for a period of not less than seven (7) years.

Section 3.10 Action Without a Meeting. Anything to the contrary herein notwithstanding, to the extent lawful, any action required to be taken at any annual or special meeting of members, or any action which may be taken at any annual or special meeting of such members shall be taken at a duly noticed meeting of members; except that any action may be taken without a meeting, without prior notice and without a vote if a consent in writing, setting forth the action so taken shall be signed by the members (or persons authorized to cast the vote of any such member as elsewhere herein set forth) having not less than the minimum number of voting interests that would be necessary to attain a quorum, or, with respect to certain matters where a higher percentage of members is required, such number of voting interests that would be necessary to approve such matters. Within ten (10) days after obtaining such authorization by written consent, notice must be given to members who have not consented in writing. The notice shall fairly summarize the material features of the authorized action.

4. Directors.

Section 4.1 Membership. The affairs of the Association shall be governed by a Board consisting of twenty-eight (28) Directors, such number being equal to the total number of Condominiums at Costa del Sol, except as otherwise provided herein from time to time, upon the vote of the majority of the voting interests of the membership.

Section 4.2 Election of Directors. The election of Directors shall be conducted in the following manner:

- (a) Election of Directors shall be held at the annual members' meeting, except as provided herein to the contrary.

- (c) The election shall be by written ballot (unless dispensed with by majority consent of the voting interests of the members represented at the meeting) and by a plurality of the votes cast, each person voting shall be entitled to cast his vote for each of as many nominees for the vacancy to be filled. There shall be no cumulative voting.
- (d) Each condominium shall be entitled to elect one Director as its representative upon the Board. The Director for each Condominium shall be elected by a majority of the votes constituting the membership of the applicable Condominium present at such meeting.

Section 4.3

Vacancies and Removal.

- (a) Except as to vacancies resulting from removal of Directors by members, vacancies in the Board of Directors occurring between annual meetings of members shall be filled by the remaining Directors, provided that all vacancies in directorships shall be filled by an Owner from the Condominium represented by the Director who is to be replaced.
- (b) Subject to the provisions of the Act and of these By-Laws, any member of the Board may be recalled and removed from office with or without cause by the vote or agreement in writing by a majority of all the voting interests. A special meeting of the Unit Owners to recall a member or members of the Board may be called by ten percent (10%) of the voting interests giving notice of the meeting as required for a meeting of Unit Owners, and the notice shall state the purpose of the meeting.
 - (i) If the recall is approved by a majority of all voting interests by a vote at a meeting, the recall shall be effective immediately, and the recalled member or members of the Board shall turn over to the Board any and all records of the Association in his or their possession, within 72 hours after the meeting.
 - (ii) If the proposed recall is by an agreement in writing by a majority of all voting interests, the agreement in writing shall be served on the Association by certified mail. The Board shall call a meeting of the Board within 72 hours after receipt of the agreement in writing and shall either certify the written agreement to recall a member or members of the Board, in which case each member or members shall be recalled effective immediately and shall turn over to the Board within 72 hours, any and all records of the Association in his or their possession, or proceed as described in subparagraph (iii) below.

- (iii) If the Board determines not to certify the written agreement to recall a member or members of the Board, or if the recall by a vote at a meeting is disputed, the Board shall, within 72 hours, file with the Division of Florida Land Sales, Condominiums and Mobile Homes (the "Division"), a petition for binding arbitration pursuant to the procedures of the Act. For purposes of this Section 4.3(c), the Unit Owners who voted at the

meeting or who executed the agreement in writing shall constitute one party under the petition for arbitration. If the arbitrator certifies the recall as to any member or members of the Board, the recall shall be effective upon service of the final order of arbitration upon the Association. If the Association fails to comply with the order of the arbitrator, the Division may take appropriate action pursuant to the Act. Any member or members so recalled shall deliver to the Board any and all records of the Association in his or their possession within 72 hours of the effective date of the recall.

- (c) If the office of any Director or Directors becomes vacant by reason of death, resignation, retirement, disqualification, removal from office or otherwise, a majority of the remaining Directors, though less than a quorum, shall choose a successor or successors, who shall hold office for the balance of the unexpired term in respect to which such vacancy occurred. The election held for the purpose of filling said vacancy may be held at any regular or special meeting of the Board of Directors. The vacancy filled shall be by a qualified person from the same Condominium which the former Director represented.
- (d) In the event the total number of Directors is less than twenty-eight (28), then the elected Board shall assume its responsibilities as composed.

Section 4.4 Term. Except as provided herein to the contrary, the term of each Director's service shall extend until the next annual meeting of the members and subsequently until his successor is duly elected and qualified, or until he is removed in the manner elsewhere provided.

Section 4.5 Organizational Meeting. The organizational meeting of newly-elected or appointed members of the Board of Directors shall be held within ten (10) days of their election or appointment at such place and

Regular Meetings. Regular meetings of the Board of Directors may be held at such time and place as shall be determined, from time to time, by a majority of the Directors. Notice of regular meetings shall be given to each Director, personally or by mail, telephone or telegraph, and shall be transmitted at least three (3) days prior to the meeting. Regular meetings of the Board of Directors shall be open to all Unit Owners and notice of such meetings shall be posted conspicuously on the Condominium Property at least forty-eight (48) hours in advance for the attention of the members of the Association, except in the event of an emergency, provided that Unit Owners shall not be permitted to participate and need not be recognized at any such meeting.

Section 4.7

Special Meetings. Special meetings of the Directors may be called by the president and must be called by the President or Secretary at the written request of one-third (1/3) of the Directors. Notice of the meeting shall be given personally or by mail, telephone or telegraph, which notice shall state the time, place and purpose of the meeting and shall be transmitted not less than three (3) days prior to the meeting. Special meetings of the Board of Directors shall be open to all Unit Owners and notice of a special meeting shall be posted conspicuously on the Condominium Property at least forty-eight (48) hours in advance for the attention of the members of the Association, except in the event of an emergency, provided that Unit Owners shall not be permitted to participate and need not be recognized at any such meeting.

Section 4.8

Waiver of Notice. Any Director may waive notice of a meeting before or after the meeting and that waiver shall be deemed equivalent to be due receipt by said Director of notice. Attendance by any Director at a meeting shall constitute a waiver of notice of such meeting, except when his attendance is for the express purpose of objecting at the beginning of the meeting to the transaction of business because the meeting is not lawfully called.

Section 4.9

Quorum. A quorum at Directors' meetings shall consist of a majority of the entire Board of Directors. The acts approved by a majority of those present at a meeting at which a quorum is present shall constitute the acts of the Board of Directors except when approval by a greater number of Directors is specifically required by the Declarations, the Articles or these By-Laws.

Section 4.10

Adjourned Meetings. If at any proposed meeting of the Board of Directors there is less than a quorum present, the majority of those present may adjourn the meeting from time to time until a quorum is present, provided notice of such newly scheduled meeting is given as required hereunder. At any newly scheduled meeting, any business that might have been transacted at the meeting as originally called may be transacted without further notice.

- Section 4.15 Action Without a Meeting. Anything to the contrary herein notwithstanding, and to the extent lawful, any action required to be taken at a meeting of the Directors, or any action which may be taken at a meeting of Directors or a committee thereof, may be taken without a meeting if a consent in writing setting forth the action so to be taken signed by all of the Directors of all the members of the committee, as the case may be, is filed in the minutes of the proceedings of the Board or of the committee. Such consent shall have the same effect as a unanimous vote. No prior notice of such intended action shall be required to be given to the Directors or to the Unit Owners. If a meeting of the Unit Owners has been called to provide no reserves or reserves less adequate than required, and such result is not attained or a quorum is not attained, the reserves as included in the budget, shall go into effect. The adoption of budgets for the Condominiums shall comply with the requirements hereinafter set forth:

- (i) Notice of Meeting. A copy of the proposed budget of Common Expenses shall be mailed to each Unit Owner not less than fourteen (14) days prior to the meeting of the Board of Directors at which the budget will be considered, together with a notice of that meeting indicating the time and place of such meetings. authorized provisions for reasonable reserves made by the Board of Directors in respect of repair or replacement of the Condominium Property or in respect of anticipated expenses of the Association which are not anticipated to be incurred on a regular or annual basis, and there shall be excluded from such computation Assessments for improvements to the Condominium Property and expenses which are unique to specific Unit Owners.

- (b) Adoption by Membership. SEE EXHIBIT "A" ATTACHED HERETO AND MADE A PART HEREOF.

All of the terms, conditions, covenants, provisions and agreements which are shown and set forth in the various exhibits which are annexed hereto, as well as the exhibits themselves, are hereby expressly made a part of this Declaration as though set forth in full herein.

The name by which the condominium hereby created is to be identified is: COSTA DEL SOL CONDOMINIUM NO. 3

to be managed by COSTA DEL SOL ASSOCIATION, INC., a Florida corporation not for profit.

Each unit is identified by number on Exhibit "D" to this Declaration, and no unit bears the same designation as any other unit.

II

SURVEY AND DESCRIPTION OF IMPROVEMENTS

Annexed hereto and expressly made a part hereof as Exhibit "D", consisting of 19 pages, is a survey of the land, graphic description and plot plans of the improvements constituting the CONDOMINIUM, identifying the PRIVATE DWELLINGS, COMMON PROPERTY as said terms are hereinafter defined, and their respective locations and approximate dimensions. Each PRIVATE DWELLING is identified by specific number on said Exhibit "D", and no Private Dwelling bears the same designation as any other Private Dwelling.

III

The CONDOMINIUM consists of PRIVATE DWELLINGS and COMMON PROPERTY as said terms are hereinafter defined.

194.00

8/16 '60

PRIVATE DWELLINGS, as the term is used herein, shall mean and comprise the separate and numbered Dwelling Units which are designated in Exhibit "D" to this Declaration of Condominium, excluding, however, all spaces and improvements lying beneath the undecorated and/or unfinished inner surfaces of the perimeter walls and floors, and above the undecorated and/or unfinished inner surfaces of the ceilings of each Dwelling Unit, and further excluding all spaces and improvements lying beneath the undecorated and/or unfinished inner surfaces of all interior bearing walls and/or bearing partitions, and further excluding all pipes, ducts, wires, conduits and other facilities running through any interior walls or partition for the furnishing of utility services to PRIVATE DWELLINGS and COMMON PROPERTY. Where there is attached to or abutting the building a porch or balcony, serving only the apartment abutting such porch or balcony, the boundary of the PRIVATE DWELLING shall be extended so as to include within it that part of such porch or balcony lying within the extension of the vertical and horizontal boundaries of the said PRIVATE DWELLING, as above expressed.

COMMON PROPERTY, as the terms is used herein, shall mean and comprise all of the real property, improvements and facilities of the Condominium other than the Private Dwellings, as the same are hereinabove defined, and shall include easements through Private Dwellings for conduits, pipes, ducts, plumbing, wiring and other facilities for the furnishing of utility services to Private Dwellings and Common property and easements of support in every portion of a Private Dwelling which contributes to the support of improvements, and shall further include all personal property held and maintained for the joint and common use and enjoyment of all of the owners of all such Private Dwellings.

IV

OWNERSHIP OF PRIVATE DWELLINGS AND APPURTENANT INTEREST IN COMMON PROPERTY

Each Private Dwelling shall be conveyed and treated as an individual property capable of independent use and fee simple ownership, and the owner or owners of said Private Dwelling shall own, as an appurtenance to the ownership of each said Private Dwelling, an undivided interest expressed as a percentage in the common property, being that which is specifically assigned thereto in Exhibit "E" hereto attached and made a part hereof. The percentage of undivided interest in the Common Property assigned to each Private Dwelling shall not be changed except with the unanimous consent of all of the owners of the Private Dwellings.

V

RESTRICTION AGAINST FURTHER SUBDIVIDING OF PRIVATE DWELLINGS AND SEPARATE CONVEYANCE OF APPURTENANT COMMON PROPERTY, ETC.

No Private Dwelling may be divided or subdivided into a smaller Dwelling unit than as shown on Exhibit "D" hereto annexed, nor shall any further dwelling, or portion thereof, be added to or incorporated into any other Private Dwelling. The undivided interest in the Common Property declared to be an appurtenance to each Private Dwelling shall not be conveyed, devised, encumbered or otherwise dealt with separately from said Private Dwelling, and the undivided interest in Common Property appurtenant to each Private Dwelling shall be deemed conveyed,

devised, encumbered or otherwise included with the Private Dwelling even though such undivided interest is not expressly mentioned or described in the instrument conveying, devising, encumbering or otherwise dealing with such Private Dwelling. Any conveyance, mortgage or other instrument which purports to affect the conveyance, devise or encumbrance, or which purports to grant any right, interest or lien in, to or upon a Private Dwelling shall be null, void and of no effect insofar as the same purports to affect any interest in a Private Dwelling and its appurtenant undivided interest in Common Property, unless the same purports to convey, devise, encumber or otherwise trade or deal with the entire Private Dwelling. Any instrument conveying, devising, encumbering or otherwise dealing with any Private Dwelling which describes said Private Dwelling by the Private Dwelling Unit Number assigned thereto in Exhibit "D", without limitation or exception, shall be deemed and construed to affect the entire Private Dwelling and its appurtenant undivided interest in the Common Property. Nothing herein contained shall be construed as limiting or preventing ownership of any Private Dwelling and its appurtenant undivided interest in the Common Property by more than one person or entity as tenants in common, joint tenants or as tenants by the entirety.

VI

CONDOMINIUM SUBJECT TO RESTRICTIONS, ETC.

The Private Dwellings and Common Property shall be, and the same are hereby declared to be, subject to the restrictions, easements, conditions and covenants prescribed and established herein, as well as the "Declaration of Restrictions and Maintenance Covenants for Costa Del Sol" (Exhibit "B") hereto attached and made a part hereof, as well as those established by the condominium association charter, by-laws, and the rules and regulations now or hereafter promulgated, governing the use of said Private Dwellings, and Common Property.

IXRESTRAINT UPON SEPARATION AND PARTITION OF COMMON PROPERTY

Recognizing that the proper use of a Private Dwelling by any owner or owners is dependent upon the use and enjoyment of the Common Property in common with the owners of all other Private Dwellings, and that it is in the interest of all owners of Private Dwellings that the ownership of the Common Property be retained in common by the owners of Private Dwellings in the Condominium, it is declared that the percentage of the undivided interest in the Common Property appurtenant to each Private Dwelling shall remain undivided and no owner of any Private Dwelling shall bring or have any right to bring any action for partition or division.

A true copy of the Articles of Incorporation and By-Laws are annexed hereto and expressly made a part hereof as Exhibits "F" and "G" respectively. The owner or owners of each Private Dwelling shall automatically become members of the Association upon his, their or its acquisition of an ownership interest or title to any Private Dwelling and its appurtenant undivided interest in Common Property, and the membership of such owner or owners shall terminate automatically upon such owner or owners being divested of such ownership interest in the title to such Private Dwelling, regardless of the means by which such ownership may be divested. No person, firm or corporation holding any lien, mortgage or other encumbrance upon any Private Dwelling shall be entitled by virtue of such lien, mortgage or other encumbrance, to membership in the Association, or to any of the rights or privileges of such membership. If the modification or alteration desired by the owner of any Private Dwelling involves the removal of any permanent interior partition, Association shall have the right to permit such removal so long as the permanent interior partition to be removed is not a load bearing partition which may affect any other Private Dwelling, and so long as the removal thereof would in no manner affect or interfere with the provisions of utility services constituting Common Property located therein. No owner shall cause any improvement or changes to be made on the exterior of the building, including painting or other decorations, or the installation of electrical wiring, television antenna, machines on air conditioning units, which may protrude through the walls or roof of the building, or in any manner change the appearance of any portion of the building not within the walls of such Private Dwelling, without the written consent of Association first being had and obtained.

only such money which comes into the possession of said Insurance Trustee. Wherever the Insurance Trustee may be required to make distribution of insurance proceeds to owners of Private Dwellings and their mortgagees, as their respective interests may appear, the Insurance Trustee may rely upon a certificate of the president and secretary of the Association, executed under oath, which certificate will be provided to said Insurance Trustee upon request of said Insurance Trustee made to the Association, such certificate to certify unto said Insurance Trustee the name or names of the owners of each Private Dwelling, the name or names of the mortgage or mortgagees who may hold a mortgage or mortgages encumbering such Private Dwelling, and the respective percentages of any distribution which may be required to be made to the owner or owners of any Private Dwelling or Private Dwellings, and his or their respective mortgage or mortgagees, as their respective interests may appear. Where any insurance proceeds are paid to the Insurance Trustee for any casualty loss, the holder or holders of any mortgage or mortgages encumbering a Private Dwelling shall not have the right to elect to apply insurance proceeds to the reduction of any mortgage or mortgages unless such insurance proceeds represent a distribution to the owner or owners of any Private Dwelling or Private Dwellings, and their respective mortgage or mortgagees, after such insurance proceeds have been first applied to repair, replacement or reconstruction of any loss or damage, or unless such casualty insurance proceeds are authorized to be distributed to the owner or owners of any Private Dwelling or Private Dwellings and their respective mortgage or mortgagees by reason of loss of or damage to any property as to which a determination is made not to repair, replace or restore such property.

In the event of the loss of or damage to Common Property, real or personal, and/or Private Dwelling or Dwellings, and the loss or damage is covered by the casualty insurance, the proceeds paid to the Insurance Trustee to cover such loss or damage shall be applied first towards the repair, replacement or reconstruction of the Common Property, and then towards the repair, replacement or reconstruction of the Private Dwellings. If the insurance proceeds are in excess of such costs of repair, replacement or reconstruction, then the excess insurance proceeds shall be paid by the Insurance Trustee to the owners of all of the Private Dwellings and their respective mortgagees, the distribution to be separately made to the owner of each Private Dwelling and his respective mortgage or mortgagees as their interests appear, in such proportion that the share of such excess insurance proceeds paid to the owner of each Private Dwelling and his said mortgage or mortgagees, if any, shall bear the same ratio to the total excess insurance proceeds as does the undivided interest in Common Property appurtenant to each Private Dwelling bear to the total undivided interests in Common Property appurtenant to all Private Dwellings. If it appears that the insurance proceeds covering the casualty loss or damage payable to the Insurance Trustee are not sufficient to pay for the repair, replacement or reconstruction of the loss or damage, or that the insurance proceeds when collected will not be so sufficient, then Association shall deposit with the Insurance Trustee a sum which, together with the insurance proceeds received or to be received, will enable said Insurance Trustee to completely pay for the repair, replacement or reconstruction of any loss or damage, as the case may be. The monies to be deposited by Association with the Insurance Trustee, in said latter event, may be paid by Association out of its Reserve for Replacement Funds, and if the amount in such Reserve for Replacement Funds is not sufficient, then Association shall levy and collect an assessment against the

Et 8716 n 616

owners of all Private Dwellings as well as the Private Dwellings in an amount which shall provide the funds required to pay for said repair, replacement or reconstruction.

In the event of loss of or damage to property covered by such casualty insurance, Association shall, within sixty (60) days after any such occurrence, obtain reliable and detailed estimates of the cost to place the damaged property in condition as good as that before such loss or damage, such estimates to contain and include the cost of any professional fees and premium for such bond as the Board of Directors of Association may deem to be in the best interests of the membership of said Association. Wherever it shall appear that the insurance proceeds payable for such loss or damage will not be sufficient to defray the cost of the repair, replacement or reconstruction thereof, the additional monies required to completely pay for such repair, replacement or reconstruction of said loss or damage shall be deposited with said Insurance Trustee no later than thirty (30) days from the date on which said Trustee shall receive the monies payable under the policy or policies of casualty insurance.

In the event of the loss of or damage to personal property belonging to Association, the insurance proceeds, when received by the Insurance Trustee, shall be paid to Association. In the event of the loss of or damage to personal property constituting a portion of the Common Property and should the Board of Directors of Association determine not to replace such personal property as may be lost or damaged, then the insurance proceeds received by the Insurance Trustee shall be paid to all of the owners of all Private Dwellings and their respective mortgagee or mortgagees as their interest may appear, in the manner and in the proportions hereinbefore provided for the distribution of excess insurance proceeds.

All of the foregoing covenants concerning the lender or other mortgagees are for the benefit of these parties and may be enforced by them.

XIV

APPORTIONMENT OF TAX OR SPECIAL ASSESSMENT IF LEVIED AND ASSESSED AGAINST THE CONDOMINIUM AS A WHOLE

In the event that any taxing authority having jurisdiction over the Condominium shall levy or assess any Tax or Special Assessment against the Condominium as a whole as opposed to levying and assessing such Tax or Special Assessment against each Private Dwelling and its appurtenant undivided interest in the Common Property, as now provided by law, then such Tax or Special Assessment so levied shall be paid as a common expense by Association, and any such taxes or special assessments which are so levied shall be included wherever possible in the estimated Annual Budget of the Association, or shall be separately levied and collected as an assessment by Association against all of the owners of all Private Dwellings. If said taxes or special assessments are not included in said Annual Budget, the amount thereof shall be assessed against and paid by the Private Dwelling owners in amounts equal to their percentage interests in the Common Elements as above set forth. In the event that any Tax or Special Assessment shall be levied against the Condominium in its entirety without apportionment by the taxing authority to the Private Dwellings and appurtenant undivided interests in Common Property, then the assessment by Association, which shall include the proportionate share of such Tax or Special Assessment attributable to each Private Dwelling and its appurtenant undivided interest in Common Property, shall separately specify and identify the amount of such assessment attributable to such Tax or Special Assessment, and the amount

8716 617

of such Tax or Special Assessment so designated shall be and constitute a lien prior to all mortgages and encumbrances upon any Private Dwelling and its appurtenant undivided interest in Common Property, regardless of the date of the attachment and/or recording of such mortgage or encumbrance, to the same extent as though such Tax or Special Assessment had been separately levied by the taxing authority upon each Private Dwelling and its appurtenant undivided interest in Common Property.

All personal property taxes levied or assessed against personal property owned by Association shall be paid by said Association and shall be included as a common expense in the Annual Budget of Association.

XXVI

TRANSFER OR LEASE OF PRIVATE DWELLINGS

No owner of a Private Dwelling shall sell or lease the same to any party without first giving the Developer and the Association notice in writing of such sale or lease as herein provided, thereby giving the Developer and Association the opportunity to determine whether they will exercise the rights of first refusal hereby given and granted to them to purchase or lease said Private Dwelling on the same terms and conditions as those contained in any bona fide offer which the owner of such Private Dwelling may have received for the purchase or lease of his said Private Dwelling. The rights of first refusal herein granted to Developer (first) and Association (second) shall be exercised (if at all) in the manner hereinafter provided.

Whenever the owner of any Private Dwelling has received a bona fide offer to purchase or lease his Private Dwelling and is desirous of accepting such bona fide offer, a bona fide offer being defined herein as an offer in writing, binding upon the offeror and containing all the pertinent terms and conditions of such sale or lease and accompanied by an earnest money deposit in the amount equal to at least 10% of the purchase price or total rental, the owner of such Private Dwelling shall notify the Developer and Board of Directors of Association in writing, via U. S. Registered or Certified Mail sent to the Offices of Developer and Association, or by personal delivery made to Developer and to the president or secretary of said Association, of his desire to accept such offer for the purchase or lease of his Private Dwelling, stating the name, address, business, occupation or employment, if any, of the offeror, an executed copy of the lease or of the bona fide offer for said purchase to be enclosed with such notice. If Developer or Association is desirous of exercising their respective options to purchase or lease said Private Dwelling on the same terms and conditions as are contained in said lease or bona fide offer, then Developer or Association, as the case may be, shall notify the owner of said Private Dwelling of the exercise by Developer or Association of the election to so lease or purchase said Private Dwelling, such notice to be in writing and sent via U. S. Registered or Certified Mail or delivered personally to said owner within ten (10) business days with respect to a proposed lease or thirty (30) business days as respects a proposed purchase from receipt by Developer and Association of the owner's notice. If either Developer or Association has elected to lease or purchase such Private Dwelling, then, upon notifying the owner of such Private Dwelling of the election to lease or purchase said Private Dwelling, the Developer or Association, as the case may be, shall execute the lease or contract of purchase, and shall consummate the transaction on the same terms and conditions as those contained in said bona fide offer. If Developer or Association does not, within said specified periods, exercise the rights of first refusal herein granted, the owner may sell or lease the Private Dwelling to the proposed buyer or lessee.

8716 618

If the Board of Directors of Association shall so elect, it may cause its right of first refusal to lease or purchase any Private Dwelling to be exercised in its name for itself or for a party approved by said Board of Directors, or said Board of Directors of Association may elect to cause said Private Dwelling to be leased or purchased directly in the name of a party approved by it.

The Developer shall have the first right of refusal to lease or purchase, and shall have a period of five (5) business days as respects a proposed lease and fifteen (15) business days as respects a proposed purchase within which to do so. Such election shall be made in writing and hand delivered with written receipt therefor or sent via U.S. Certified or Registered Mail to both the Private Dwelling owner desirous of leasing or selling his unit and Association. If Developer advises both parties that it does not desire to exercise its right of first refusal, or if Developer fails to exercise its rights by written notice within said applicable period of time, then such right of first refusal shall devolve upon Association. The failure of the Developer or Association to exercise the right of first refusal on any one or more occasions shall not constitute a waiver of their rights of first refusal on any subsequent occasions.

The foregoing provisions of this section shall not apply to a transfer to or a purchase by a bank, life insurance company or federal savings and loan association which acquires its title as the result of owning a first mortgage upon the apartment concerned, and this shall be so whether the title is acquired by deed from the mortgagor in lieu of foreclosure or through foreclosure proceedings; provided, however, that after such institution shall have acquired the title, it shall be bound by the foregoing provisions upon a subsequent sale of the unit so acquired insofar as such provisions refer and relate to the right of Developer or Association to first refusal to lease or purchase such dwelling. Any purchaser from such institution, upon acquiring title to the Private Dwelling, shall be bound in all respects by all of the foregoing limitations and restrictions in the same manner and to the same extent as any other Private Dwelling owner.

XVII

ASSOCIATION TO MAINTAIN REGISTRY OF OWNERS AND MORTGAGES

Association shall at all times maintain a register setting forth the names of the owners of all of the Private Dwellings, and in the event of the sale or transfer of any Private Dwelling to a third party, the purchaser or transferee shall notify Association in writing of his interest in such Private Dwelling, together with such recording information as shall be pertinent to identify the instrument by which such purchaser or transferee has acquired his interest in any Private Dwelling; and, further, the owner of such Private Dwelling shall at all times notify Association of the names of the parties holding any mortgage or mortgages on any Private Dwelling and the recording information which shall be pertinent to identify the mortgage or mortgages.

The holder of any mortgage or mortgages upon any Private Dwelling may, if they so desire, notify Association of the existence of any mortgage or mortgages held by such party on any Private Dwelling, and upon receipt of such notice, Association shall register in its records all pertinent information pertaining to the same.

ARTICLE 8716-619

ASSESSMENTS: LIABILITY, LIEN AND ENFORCEMENT

Association is given the authority to administer the operation and management of the Condominium. To properly administer the operation and management of the Condominium, Association will incur, for the mutual benefit of all of the owners of Private Dwellings, costs and expenses which will be continuing or non-recurring costs, as the case may be, which costs and expenses are sometimes herein referred to as "Common Expense." In furtherance of the grant of authority to Association to make, levy and collect assessments to pay the costs of the common expenses, the following provisions shall be operative and binding upon the owners of all Private Dwellings, to-wit:

A. All assessments levied against the owners of Private Dwellings and said Private Dwellings shall be uniform, and, unless specifically otherwise provided for in this Declaration of Condominium, the assessments made by Association against each Private Dwelling owner and his Private Dwelling shall be the percentages which are set forth in Exhibit "B" attached hereto.

Should Association be the owner of any Private Dwelling or Private Dwellings, the assessment which would otherwise be due and payable to Association by the owner of such Private Dwelling or Private Dwellings, reduced by the amount of income which may be derived from the leasing of such Private Dwelling or Private Dwellings by Association, shall be apportioned and assessment therefor levied ratably among the owners of all Private Dwellings which are not owned by Association based upon their percentage of interest as above set forth.

B. The assessment levied against the owner of each Private Dwelling and his Private Dwelling shall be payable in lump sum or in such installments and at such times as may be determined by the Board of Directors of Association.

C. The Board of Directors of Association shall establish an annual budget in advance for each fiscal year which shall correspond to the calendar year, and such budget shall project all expenses for the forthcoming year which may be required for the proper operation, management and maintenance of the Condominium, including a reasonable allowance for contingencies and reserves, such budget to take into account projected anticipated income which is to be applied in reduction of the amounts required to be collected as an assessment each year. Upon adoption of such annual budget by the Board of Directors of Association, copies of said budget shall be delivered to each owner of a Private Dwelling and the assessment for said year shall be established based upon such budget, although the delivery of a copy of said budget to each owner shall not affect the liability of any owner for assessments. Should the Board of Directors at any time determine in their sole discretion that the assessments levied are or may prove to be insufficient to pay the costs of operation and management of the Condominium; or, in the event of emergencies, they shall have the authority to levy such additional assessment or assessments as they shall deem to be necessary.

D. The Board of Directors of Association, in establishing said annual budget for operation, management and maintenance of the project, shall include therein a sum to be collected and maintained as a reserve fund for replacement of Common Property, which reserve fund shall be for the purpose of enabling Association to replace structural elements and mechanical equipment constituting a part of the Common Property, as well as the replacement of personal property which may constitute a portion of the Common Property held for the

RE 8716 to 620

joint and common use and benefit of all of the owners of all Private Dwellings. The amount to be allocated to such reserve fund for replacements shall be established by said Board of Directors so as to accrue and maintain at all times a sum reasonably necessary to anticipate the need for replacement of said Common Property. The amount collected and allocated to the Reserve Fund for replacements from time to time may be maintained in a separate account by Association, although nothing herein contained shall limit Association from applying any monies in such Reserve Fund for the replacements to meet other needs or requirements of Association in operating or managing the project in the event of emergencies, or in the event that the sums collected from the owners of Private Dwellings are insufficient to meet the then fiscal financial requirements of Association, but it shall not be a requirement that these monies be used for such latter purposes as a separate assessment may be levied therefor if deemed to be advisable by the Board of Directors of Association in their sole discretion.

E. The Board of Directors of Association, in establishing said annual budget for operation, management and maintenance of the project, may include therein a sum to be collected and maintained as a general operating reserve which shall be used to provide a measure of financial stability during periods of special stress when such sums may be used to meet deficiencies from time to time existing as a result of delinquent payment of assessments by owners of Private Dwellings, as a result of emergencies, or for other reason placing stress upon the Association. The annual amount allocated to such operating reserve and collected therefor shall be determined by the Board of Directors. In no event shall surplus or excess sums be construed as income to the Association, but will be a liability of the Association in favor of the Private Dwelling owners in accordance with their percentage of interest as set forth in Exhibit "E" attached hereto.

F. All monies collected by Association shall be treated as separate property of the said Association, and such monies may be applied by the said Association to the payment of any expense of operating and managing the Condominium, or to the proper undertaking of all acts and duties imposed upon it by virtue of this Declaration of Condominium and the Articles of Incorporation and By-Laws of said corporation, and, as the monies for any assessment are paid unto Association by any owner of a Private Dwelling, the same may be commingled with the monies paid to the Association by the other owners of Private Dwellings. Although all funds and other assets of Association and any increments thereto or profits derived therefrom, or from the leasing or use of Common Property shall be held for the benefit of the members of Association, no member of said corporation shall have the right to assign, hypothecate, pledge or in any manner transfer his interest therein, except as an appurtenance to his private Dwelling. When the owner of a Private Dwelling shall cease to be a member of Association by reason of the divestment of his ownership of such Private Dwelling, by whatever means, Association shall not be required to account to such owner for any share of the funds or assets of Association, or which may have been paid to Association by such owner, as all monies which any owner has paid to Association shall be and constitute an asset of said corporation which may be used in the operation and management of the Condominium.

G. The payment of any assessment or installment thereof due to Association shall be in default if such assessment, or any installment thereof, is not paid unto Association on or before the due date for such payment. When in default, the delinquent assessment or delinquent installment thereof due to Association shall bear interest at the rate of

8716 & 621

10% per annum until such delinquent assessment or installment thereof and all interest due thereon has been paid in full to Association.

H. The owner of owners of each Private Dwelling shall be personally liable, jointly and severally, as the case may be, to Association for the payment of all assessments, regular or special, which may be levied by Association while such party or parties are owner or owners of a Private Dwelling in the Condominium. In the event that any owner or owners are in default in payment of any assessment or installment thereof owing to Association, such owner or owners of any Private Dwelling shall be personally liable, jointly and severally, for interest on such delinquent assessment or installment thereof as above provided, and for all costs of collecting such assessment or installment thereof and interest thereon, including a reasonable attorney's fee, whether suit be brought or not.

I. No owner of a Private Dwelling may exempt himself from liability for any assessment levied against such owner and his Private Dwelling by waiver of the use or enjoyment of any of the Common Property or by abandonment of the Private Dwelling, or in any other manner.

J. Recognizing that the necessity for providing proper operation and management of the Condominium entails the continuing payment of costs and expenses therefor, which results in benefit to all of the owners of Private Dwellings, and that the payment of such Common Expense represented by the assessments levied and collected by Association is necessary in order to preserve and protect the investment of the owner of each Private Dwelling, the Association is hereby granted a lien upon such Private Dwelling and its appurtenant undivided interest in Common Property, which lien shall secure and does secure monies due for all assessments now or hereafter levied against the owner of each Private Dwelling, which lien shall also secure interest, if any, which may be due on the amount of any delinquent assessments owing to Association, and which lien shall also secure all costs and expenses, including a reasonable attorney's fee, which may be incurred by Association in enforcing this lien upon said Private Dwelling and its appurtenant undivided interest in the Common Property.

The lien granted to Association may be foreclosed in the same manner as real estate mortgages or other liens may be foreclosed in the State of Florida; and in any suit for foreclosure of said lien, the Association shall be entitled to rental from the owner of any Private Dwelling from the date on which the payment of any assessment or installment thereof became delinquent, and shall be entitled to the appointment of a Receiver for said Private Dwelling, without notice to the owner of such Private Dwelling. The rental required to be paid shall be equal to the rental charged on comparable type of Dwelling Units. The lien granted to the Association shall further secure such advances for taxes and payments on account of superior mortgages, liens or encumbrances which may be required to be advanced by the Association in order to preserve and protect its lien, and the Association shall further be entitled to interest at the rate of 10% per annum on any such advances made for such purpose. All persons, firms or corporations who shall acquire, by whatever means, any interest in the ownership of any Private Dwelling, or who may be given or acquire a mortgage, lien or other encumbrance thereon is hereby placed on notice of the lien granted to Association, and shall acquire such lien upon its recording as provided hereinafter.

K. The lien herein granted unto Association shall be effective from and after the time of recording among the Public Records of the County in which the Condominium is located of a

8718 622

claim of lien stating the description of the Private Dwelling encumbered thereby, the name of the record owner, the amount due and the date when due, and the lien shall continue in effect until all sums secured by said lien, as herein provided, shall have been fully paid. Such claim of lien shall include only assessments which are due and payable when the claim of lien is recorded, plus interest, costs, attorneys' fees, advances to pay taxes and prior encumbrances and interest thereon, all as above provided. Such claims of lien shall be signed and verified by an officer or agent of the Association. Upon full payment of all sums secured by such claim of lien, the same shall be satisfied of record. The claim of lien filed by the Association shall be subordinate to the lien of any mortgage or any other lien recorded prior to the time of recording of the Association's claim of lien, except that the lien of the Association for tax or special assessment advances made by the Association where any taxing authority having jurisdiction levies any tax or special assessments against the Condominium as an entirety instead of levying the same against each Private Dwelling and its appurtenant undivided interest in Common Property, shall be prior in lien, right and dignity to the lien of all bona fide mortgages, liens and encumbrances, whether or not recorded prior to the Association's claim of lien therefor, and the Association's claim of lien for collection of such portion of any tax or special assessment shall specifically designate that the same secures an assessment levied pursuant to the provisions of this Declaration of Condominium.

In the event that any person, firm or corporation shall acquire title to any Private Dwelling and its appurtenant undivided interest in Common Property by virtue of any foreclosure or judicial sale or through voluntary conveyance in lieu of foreclosure and judicial sale, such person, firm or corporation so acquiring title shall only be liable and obligated for assessments as shall accrue and become due and payable for said Private Dwelling and its appurtenant undivided interest in Common Property subsequent to the date of acquisition of such title, and shall not be liable for the payment of any assessments which were in default and delinquent at the time it acquired such title, except that such person, firm or corporation shall acquire such title subject to the lien of any assessment by Association representing an apportionment of taxes or special assessment levied by taxing authorities against the Condominium in its entirety. In the event of the acquisition of a Private Dwelling by foreclosure or judicial sale, or through voluntary conveyance in lieu of foreclosure and judicial sale, any assessment or assessments as to which the party so acquiring title shall not be liable shall be absorbed and paid by all owners of all Private Dwellings as a part of common expense, although nothing herein contained shall be construed as releasing the party liable for such delinquent assessment from the payment thereof or the enforcement of collection of such payment by means other than foreclosure.

L. Whenever any Private Dwelling may be leased, sold or mortgaged by the owner thereof, which lease or sale shall be concluded only upon compliance with other provisions of this Declaration of Condominium, Association, upon written request of the owner of such Private Dwelling, shall furnish to the proposed lessee, purchaser or mortgagee a statement verifying the status of payment of any assessment which shall be due and payable to Association by the owner of such Private Dwelling. Such statement shall be executed by any officer of the Corporation and any lessee, purchaser or mortgagee may rely upon such statement in concluding the proposed lease, purchase or mortgage transaction, and Association shall be bound by such statement.

8716 623

In the event that a Private Dwelling is to be leased, sold or mortgaged at the time when payment of any assessment against the owner of said Private Dwelling or such Private Dwelling due to Association shall be in default (whether or not a claim of lien has been recorded by the Association), then the rent, proceeds of such purchase or mortgage proceeds, shall be applied by the lessee, purchaser or mortgagee first to payment of any then delinquent assessment or installments thereof due to Association before the payment of any rent, proceeds of purchase or mortgage proceeds to assessment.

In any voluntary conveyance of Private Dwelling, the Grantee shall be jointly and severally liable with the Grantor for all unpaid assessments against Grantor made prior to the time of such voluntary conveyance, without prejudice to the rights of the Grantee to recover from the Grantor the amounts paid by the Grantee therefor.

Institution of a suit at law to attempt to effect collection of the payment of any delinquent assessment shall not be deemed to be an election by Association which shall prevent its thereafter seeking enforcement of the collection of any sums remaining owing to it by foreclosure, nor shall proceeding by foreclosure to attempt to effect such collection be deemed to be an election precluding the institution of suit at law to attempt to effect collection of any sum then remaining due to it.

XIII

TERMINATION

If this Declaration of Condominium and the Plan of Condominium Ownership established herein is to be terminated, then a Certificate of Resolution of the Board of Directors of Association to said effect and notice of the cancellation and termination hereof shall be executed by the president and secretary of Association in the recordable form, and such instrument shall be recorded in the Public Records of the County in which the Condominium property is situated. Upon termination of this Declaration of Condominium and the Plans of Condominium Ownership established herein, all of the owners of Private Dwellings shall be and become tenants in common as to the ownership of the Condominium property herein described and to any then remaining improvements thereon, and all personal property appurtenant thereto, the undivided interest in such property and remaining improvements held by the owner or owners of each Private Dwelling to be the same as the undivided interest in Common Property which was formerly appurtenant to such Private Dwelling as is set forth in Exhibit "D" attached hereto.

Upon termination of this Declaration of Condominium and the Plan of Condominium Ownership established herein, the Insurance Trustee shall distribute any insurance proceeds which may be due under any policy or policies of casualty insurance to the owners of the Private Dwellings and mortgages, as their respective interests may appear, such distribution to be made to the owner or owners of each Private Dwelling in accordance with their then undivided interest in the Condominium property and remaining improvements as hereinbefore provided in Exhibit "D". Common surplus shall likewise be distributed to the Private Dwelling owners in accordance with their same percentages as are set forth in said Exhibit "E".

This Declaration of Condominium and the Plan of Condominium Ownership may only be terminated by the unanimous

REC 8716 624

consent of all of the owners of all Private Dwellings and all of the parties holding mortgages, liens or other encumbrances against any of said Private Dwellings, in which event the termination of the Condominium shall be by such plan as may be then adopted by said owners and parties holding any mortgages, liens or other encumbrances. Such election to terminate this Declaration of Condominium and the Plan of Condominium Ownership established herein shall be executed in writing by all of the aforementioned parties, and such instrument or instruments shall be recorded in the Public Records of the County in which the Condominium property is located.

XVI

AMENDMENT OF DECLARATION OF CONDOMINIUM

Except for any alteration in the percentage of ownership in Common Property appurtenant to each Private Dwelling, or alteration of the basis for apportionment of assessments which may be levied by Association in accordance with the provisions hereof (the percentages of interest as set forth in Exhibit "E"), in which said instances consent of all of the owners of all Private Dwellings and their respective mortgages shall be required, this Declaration of Condominium may be amended in the following manner:

An amendment or amendments to this Declaration of Condominium may be proposed by the Board of Directors of Association acting upon a vote of the majority of the Directors, or by the members of the Association owning a majority of the Private Dwellings in the Condominium, whether meeting as members or by instrument in writing signed by them. Upon any amendment or amendments to this Declaration of Condominium being proposed by said Board of Directors or members, such proposed amendment or amendments shall be transmitted to the president or other officer of Association in the absence of the president, who shall thereupon call a special meeting of the members of Association for a date not sooner than twenty (20) days nor later than sixty (60) days from receipt by him of the proposed amendment or amendments, and it shall be the duty of the secretary to give to each member written notice of such special meeting, stating the time and place thereof, and reciting the proposed amendment or amendments in reasonably detailed form, which notice shall be mailed not less than ten (10) days nor more than thirty (30) days before the date set forth such special meeting. If mailed, such notice shall be deemed to be properly given when deposited in the United States mail addressed to the member at his post office address as it appears on the records of Association, the postage thereon prepaid. Any member may, by written waiver of notice signed by such member, waive such notice and such waiver, when filed in the records of Association, whether before or after the holding of the meeting, shall be deemed equivalent to the giving of such notice to such member. At such meeting, the amendment or amendments proposed must be approved by an affirmative vote of the members owning not less than two thirds (2/3rds) of the Private Dwellings in the Condominium in order for the amendment or amendments to become effective. Thereupon, such amendment or amendments of this Declaration of Condominium shall be transcribed and certified by the president and secretary of Association as having been duly adopted and the original or an executed copy of such amendment or amendments so certified and executed with the same formalities as a deed shall be recorded in the Public Records of the County in which the Condominium property is located within ten (10) days from the date on which the same became effective, such amendment or amendments to specifically refer to the recording data identifying the Declaration of Condominium.

8716 N 625

Thereafter, a copy of said amendment or amendments in the form in which the same were placed of record by the officers of Association shall be delivered to all of the owners of all Private Dwellings, but delivery of a copy thereof shall not be a condition precedent to the effectiveness of such amendment or amendments. At any meeting held to consider such amendment or amendments, the written vote of any member of Association shall be recognized if such member is not in attendance at such meeting or represented thereat by proxy, provided such written vote is delivered to the Secretary of Association at or prior to such meeting.

Notwithstanding anything to the contrary hereinabove set forth, the following provisions shall govern and prevail:

(a) Until the first Private Dwelling is conveyed by deed recorded among the Public Records of the County in which the Condominium property is located, the Declaror executing this Declaration shall have the sole right to amend, alter, change or modify the terms and provisions of this Declaration of Condominium except that no such amendment, alteration, change or modification in the percentage of ownership in Common Property appurtenant to each Private dwelling or alteration of the basis for apportionment of assessments which may be levied by the Association in accordance with the provisions hereof may be made without the written consent of all persons who have theretofore contracted to purchase a Private Dwelling in the Condominium.

(b) So long as the Lender is the holder of any mortgage on the Condominium property or on any Private Dwelling in the Condominium, no change, amendment, alteration or modification may be made to this Declaration of Condominium without its prior written consent and approval.

XXI

REMEDIES IN EVENT OF DEFAULT

The owner or owners of each Private Dwelling shall be governed by and shall comply with the provisions of this Declaration of Condominium, the Declaration of Restrictions and Maintenance Covenants, the Articles of Incorporation, By-laws of Association, and the Association's Rules and Regulations, as any of the same are now constituted or as they may be amended from time to time. A default by the owner or owners of any Private Dwelling shall entitle Association or the owner or owners of other Private dwelling or Private Dwellings to the following relief:

A. Failure to comply with any of the terms of this Declaration of Condominium or the Declaration of Restrictions and Maintenance Covenants, or other restrictions and regulations contained in the Articles of Incorporation, By-laws of Association, or Association's Rules and Regulations, as any of the same are now constituted or as they may be amended from time to time shall be grounds for relief, which may include without intending to limit the same an action to recover sums due for damages, injunctive relief, foreclosure of lien or any combination thereof, and which relief may be sought by Association, or, if appropriate, by an aggrieved owner of a Private Dwelling.

B. The owner or owners of each Private Dwelling shall be liable for the expense of any maintenance, repair or replacement rendered necessary by his act, neglect or carelessness, or by that of any member of his family, or his or their guests,

8716 626

employees, agents or leasees, but only to the extent that such expenses are not met by the proceeds of insurance carried by Association. Such liability shall include any increase in fire insurance rates occasioned by use, misuse, occupancy or abandonment of a Private Dwelling or its appurtenances. Nothing herein contained, however, shall be construed so as to modify any waiver of insurance companies or rights of subrogation.

C. In any proceeding arising because of an alleged default by the owner of any Private Dwelling, the successful party shall be entitled to recover the costs of the proceeding and such reasonable attorney's fees as may be determined by the court.

D. The failure of Developer, Association or of the owner of a Private Dwelling to enforce any right, provision, covenant or condition which may be granted by this Declaration or other abovementioned documents shall not constitute a waiver of the rights of the Developer or Association or of the owner of a Private Dwelling to enforce such right, provision, covenant or condition in the future.

E. All rights, remedies and privileges reserved by or granted to Developer, Association or the owner or owners of a Private Dwelling pursuant to any terms, provisions, covenants or conditions of this Declaration of Condominium or other abovementioned documents shall be deemed to be cumulative, and the exercise of any one or more shall not be deemed to constitute an election of remedies, nor shall it preclude the party thus exercising the same from exercising such other and additional rights, remedies or privileges as may be available to such party at law or in equity.

XXII

USE OF ACQUISITION OF INTEREST IN THE CONDOMINIUM TO RENDER USER OR ACQUIRER SUBJECT TO PROVISIONS OF DECLARATION OF CONDOMINIUM RULES AND REGULATIONS

All present or future owners, tenants, occupants or any other person who might use the facilities of the Condominium in any manner are subject to the provisions of this Declaration of Condominium and the Declaration of Restrictions and Maintenance Covenants, and the Association's Articles of Incorporation, By-Laws and Rules and Regulations, and the mere acquisition or rental of any Private Dwelling, or the mere act of occupancy of any Private Dwelling shall signify that the provisions of this Declaration of Condominium are accepted and ratified in all respects.

XIXIII

RIGHTS OF DEVELOPER

(a) As to all of the unsold apartment units, the Developer shall have the absolute and continuing right to lease, sublease and/or sell or cause to be leased, subleased and/or sold, any of such units to any persons, firms or corporations upon any terms and conditions that it may desire; and as to the lease, sublease or sale of any such apartments, the right to approve or disapprove of any prospective buyer or lessee, or the right of first refusal; and any right of redemption which the Association may have by virtue of the provisions of the Articles of Incorporation, By-Laws and Rules and Regulations of the Association, or of the within Declaration of Condominium, shall

8716 627

not be operative in any manner. In addition, the Developer shall have the continuing rights of first refusal described in Article XVI hereof ("Transfer or Lease of Private Dwellings.").

(b) The within Condominium is one of a number of condominium buildings constructed or to be constructed within the property, "Costa Del Sol", described on Exhibit "C" hereto attached and made a part hereof. These condominium buildings, estimated to contain approximately 800 townhouse condominium units, constitute a multi-phase condominium project. So long as the Developer has the right to sell or lease or cause to be sold or leased fifty (50) of the total number of apartments included within all of the condominium apartment buildings which are contemplated to be constructed within such designated property (Exhibit "C"), or on January 1, 1980, whichever date is the earlier, the Developer shall have the absolute right to designate, remove and replace at will a majority of the members of the Board of Directors of the Association. None of such Directors need be a resident of any of the Condominium apartment buildings. The plans which contemplate the development of this multi-phase condominium project are on file in the office of the Developer.

(c) The Developer shall be responsible for the pro rata share of all actual costs and expenses incurred in the maintenance and operation of the Condominium building for the number of apartments owned by the Developer from time to time. If the assessments imposed by the Association are in excess of the actual amount of the costs and expenses incurred, the Developer shall not be obligated to pay such excess. Neither Developer nor Developer's unsold apartments shall be liable for assessments for a general operating reserve or reserves for repairs or replacements.

(d) In conjunction with the creation, construction and development of the property described on Exhibit "C", the Developer may, but shall not be obligated to, cause the construction of other structures and facilities to be used and enjoyed by the owners of the properties in Costa Del Sol (Exhibit "C"). Such structures and facilities may not be a part of the condominium property or an appurtenance thereto, but may be owned and held by the Association for the use and benefit of the condominiums and the Private Dwelling Unit owners therein and other property owners within said Development and their guests, invitees and employees, as may be designated by Developer or Association. The maintenance of such common areas and facilities shall be governed by the provisions of the "Declaration of Restrictions and Maintenance Covenants" (Exhibit "B").

(e) In order to implement the provisions of this Article XXIII, the Developer shall have the right to maintain appropriate signs in and upon the common property which the Developer, in its sole discretion and judgment, shall determine is appropriate; and the Developer shall have the right to do any and all acts and to cause to be done any and all acts which it in its sole judgment and discretion shall determine appropriate to implement the provisions of this Declaration of Condominium.

(f) No alteration, amendment or modification of the rights and privileges granted or reserved in favor of Developer by this Declaration may be made or accomplished except with Developer's written consent.

NOTWITHSTANDING ANYTHING SET FORTH IN SECTION XXIX, "TERMINATION", IT IS UNDERSTOOD THAT UPON THE FIRST PRIVATE DWELLING UNIT CONVEYED BY DEED RECORDED AMONG THE PUBLIC RECORDS OF DADE COUNTY, THE DECLARATOR EXECUTING THIS DECLARATION SHALL HAVE THE SOLE RIGHT TO TERMINATE THIS DECLARATION OF CONDOMINIUM.

8716 K 628

(g) Notwithstanding anything herein set forth to the contrary, the Developer shall have the right to construct townhouses, apartment houses, hotels, hotel apartments and other residential dwellings within "Costa Del Sol" (Exhibit "C") and own and hold title to same in a conventional manner or in the form of condominium ownership. At Developer's election and in its sole discretion, it may divide and/or subdivide any of such structures and sell and/or lease, and/or transfer, and/or maintain and operate such residential structures or portions thereof as rental units with or without hotel service. Any and all such activities shall be conducted in a lawful manner.

(h) The rights herein provided and/or reserved to the Developer may be assigned or transferred by Developer in whole or in part only by written instrument in recordable form, which instrument shall set forth therein the specific Developer's right or rights being assigned or transferred. The assignee of such right or rights shall have a like power of assignment and transfer, which, however, must be accomplished only in the same manner as hereinabove set forth. A transfer of any property owned by the Developer within "Costa Del Sol" (Exhibit "C") shall not, unless specifically spelled out in the document effecting such transfer or conveyance, in the manner hereinabove recited, operate as a transfer of Developer's rights herein granted or reserved.

(i) The Developer contemplates that Developer or its assigns will construct within "Costa Del Sol" (Exhibit "C") a private recreational facility ("Club") consisting of an eighteen (18) hole golf course, tennis courts, a swimming pool and clubhouse with related facilities. Memberships in the "Club" will be available on a non-exclusive basis to residents and non-residents of "Costa Del Sol" (Exhibit "C") upon the payment of membership fees, dues and other compensation as shall be established by the owner of the "Club". There is hereby reserved to the Developer or the owner and/or the operator of the said "Club" the right to place signs in, on, or about the "common areas" of "Costa Del Sol" (Exhibit "C"), as such "common areas" are defined in the Declaration of Restrictions and Maintenance Covenants (Exhibit "B"), as Developer or "Club" owner or operator, in their sole discretion and judgment, deem is necessary or appropriate in connection with the existence, maintenance and operation of such "Club".

XXIV

ADDITIONAL ASSESSMENTS BY ASSOCIATION

The authority granted to Association under Article XXVIII to make assessments and have liens on the Condominium Private Dwellings to secure payment thereof is supplementary to and augments the rights of Association to make assessments and to have liens to secure same as are recited and set forth in the Association's Articles of Incorporation and By-Laws (Exhibits F and G) and the Declaration of Restrictions and Maintenance Covenants (Exhibit B).

XXV

In the event that any of the terms, provisions or covenants of this Declaration of Condominium are held to be partially or wholly invalid or unenforceable for any reason whatsoever, such holding shall not affect, alter, modify or impair in any manner whatsoever any of the other terms, provisions or covenants hereof or the remaining portions of any terms, provisions or covenants held to be partially invalid or unenforceable.

8716 n 629

Section 2. Easements. There is reserved by and hereby granted to the Developer and Association the full unrestricted and perpetual easement of ingress and egress to, over, under, above and upon all of the above mentioned common areas, as well as those which constitute a part of the common property of any condominium, for the purposes of implementing, carrying into force and effect and enforcing the provisions of the within Declaration of Restrictions and Maintenance Covenants.

There is hereby reserved by and granted to every present and future owner of any lot in Costa Del Sol the full, unrestricted and perpetual right and easement of enjoyment in and to the common areas defined in Article I for the uses and purposes for which such common areas were intended; provided, however, that the easements hereby granted or reserved insofar as they relate to property which constitutes a part of any condominium property shall be effective only in favor of the owners of such condominium property, the Developer and Association, and may not be exercised by any other owner.

The easements hereby reserved and granted shall be appurtenant to and pass with the title to every lot and constitute covenants running with the land; subject, however, to the following:

- (a) The right of either the Developer or of the "Association" (in accordance with Association's Articles and

8716 N 638

ARTICLE V

Covenants for Maintenance Assessments

Section 1. Creation of the Lien and Personal Obligation of the Assessments. The Developer, for each lot owned by it within the subject property, hereby covenants, and each Owner of any lot (by acceptance of a deed therefor, whether or not it shall be so expressed in any such deed or other conveyance), including any purchaser at a judicial sale, shall hereafter be deemed to covenant and agree to pay to the Association: (1) any special or regular assessments or charges for normal maintenance, repairs and operations; (2) any special assessments for capital improvements or major repair; and (3) exterior maintenance assessment (as set forth hereafter). Such assessments as fixed, established and collected from time to time as hereinafter provided, together with interest thereon from due date at the rate of 10% per annum and costs of collection thereof, including attorneys' fees, shall be a charge on the land and shall be a continuing lien upon the property against which such assessment is made. No owner may waive or otherwise escape liability for the assessments provided for herein by non-use or abandonment of the "Common Areas".

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purposes of promoting the recreation, health, safety and welfare of the residents, and/or occupants or authorized users of the subject property, "COSTA DEL SOL", and, in particular, for the improvement and maintenance and repairs of the "Common Areas", including, but not limited to, the cost of taxes, insurance, labor, equipment, materials, management, maintenance and supervision thereof, as well as for such other purposes as are permissible activities of the Association and undertaken by it.

Section 3. Determination of Assessments. The Board of Directors of the Association shall fix the amount of all

8716 N 639

regular (annual) and special assessments in accordance with the projected financial needs of the Association. All property within "COSTA DEL SOL" shall be assessed in a uniform manner for the payment of such assessments. The Board of Directors may, in its complete and sole discretion, exempt any of the lots or all the dwellings in any condominium with respect to such portion or portions of the assessment as are applicable to parcels of "Common Areas" not benefitting such lots or dwellings. As respects the property constituting the golf and country club, all assessments shall be subject to the following limitations:

(a) The property shall only be assessed for its share of expenses where such assessment has been uniformly applied to all of the non-exempt property within "COSTA DEL SOL"; and

(b) The country club property shall be liable for an assessment in a maximum amount which shall be equal to a percentage arrived at by dividing the total number of square feet of construction of the principal clubhouse building, excluding all areas outside of the perimeter bearing walls by a figure which is equal to the total number of square feet of all townhouse condominiums construction in "Costa Del Sol" plus the amount of square footage of the country club building. The square footage of all such townhouses shall be similarly determined as being that which is included within all perimeter bearing walls. The percentage so arrived at shall be multiplied by the total amount of the assessment, and the result thereof shall be the amount of the assessment payable by the owner of the country club facilities.

Nothing herein contained shall relieve the Developer from the payment of his fair share of any assessments which may be made as the same relates to any improved or unimproved property within "COSTA DEL SOL".

Section 4. Method of Payment. Assessments shall be payable in advance in lump sum or in periodic installments as

REC 8716 n 640

may be determined by said Board of Directors.

Section 5. Duties of the Board of Directors: The Board of Directors of the Association shall fix the date and the amount of the assessment against each Lot for each assessment at least thirty (30) days in advance of such assessment date, and shall at that time prepare a roster of the properties and assessments applicable thereto, which shall be kept in the office of the Association and shall be open to inspection by any owner. Written notice of the assessment shall be sent to every owner subject thereto not later than seven (7) days after fixing of the date of commencement thereof.

The Association shall upon demand at any time furnish to any owner liable for said assessment a certificate in writing signed by an officer of the Association, setting forth whether said assessment has been paid. Such certificate shall be conclusive evidence of payment of any assessment therein stated to have been paid.

Section 6. Effect of Non-Payment of Assessments:
The Lien; Remedies of Association. If the assessments are not paid within fifteen (15) days from and after the date when due, such assessment shall then become delinquent and shall, together with interest thereon at the rate of ten percent (10%) per annum from due date of assessment until paid, and costs of collection thereof, including reasonable attorneys' fees, whether suit be brought or not, thereupon become a continuing lien on the property, which shall bind such property in the hands of the then owner, his heirs, devisees, personal representatives and assigns.

The lien herein granted to the Association shall be effective from and after the time of recording among the Public Records of Dade County of a claim of lien stating the description of the lot which is subjected to the lien, the name of the record owner, the amount due and the date when

RE 8716 N 641

due, and the lien shall continue in effect until all sums secured by said lien shall have been fully paid.

The lien hereby granted to the Association may be foreclosed either in the manner in which a mortgage on real property is foreclosed; or, alternately, at the option of the Association, in the manner in which statutory liens on real property are foreclosed, or at the further option of the Association, by any other remedy available to the Association for the foreclosure and enforcement of the said lien. Upon full payment of the amounts secured by the lien, the party making payment shall be entitled to a recordable satisfaction discharging the lien as to such arrearages, interest and cost, provided that such satisfaction shall in no way diminish or extinguish the lien hereby created as to any other amounts to become due thereafter.

Section 7. Subordination of the Lien to Mortgages.

The lien of the assessments provided for herein shall be subordinate to the lien of any bona fide institutional mortgage or mortgages now or hereafter placed upon the lot subject to assessment; provided, however, that such subordination shall apply only to the assessments which have become due and payable prior to a sale or transfer of such lot pursuant to a decree of foreclosure, or any other proceeding in lieu of foreclosure. No sale or transfer shall relieve any lot from liability for any assessments thereafter becoming due, nor from the lien of any such subsequent assessment. An institutional mortgage is one made in favor of any national or state bank, insurance company or state or federal savings and loan association all of which must be licensed to do business in Florida.

Section 8. Exempt Property. The following property subject to this Declaration shall be exempt from the assessments, charge and lien created herein:

8716 642

- (a) Any land conveyed to or dedicated and accepted by any governmental body or agency and devoted to public use;
- (b) All of the "Common Areas" as defined in Article I hereof, except those common areas which constitute a part of the property which has been submitted to condominium ownership.

ARTICLE VI

Section 1. Miscellaneous Provisions - Restrictions, Etc.

(a) USE OF PROPERTY

The property subject to this Declaration may only be used for the uses and purposes permitted under the zoning classifications assigned to such property by Dade County, Florida, or such other governmental agency as may, from time to time, have jurisdiction thereof.

The Developer reserves the exclusive right to assign to any person, firm or corporation, separately or as a whole, any and all of said easements and rights. Any wall, fence, paving, planting or other object constructed, installed or placed within the boundary of any property subject to any such easement by the owner of any property on which the easement lies shall be

8716 N 643

removed, if required by the Developer or his assignee, at the expense of said owner. The Developer reserves the perpetual right of ingress and egress to and over any private property, if necessary in order to exercise Developer's rights herein granted and reserved.

(d) NUISANCES

Nothing shall be done on any lot which may be or may become an annoyance or nuisance to the neighborhood. In the event of any question as to what may be or may become a nuisance, such question shall be submitted in writing to the Association for a decision. Association's decision shall be in writing and shall be final and binding.

(e) SIGNS

No "For Rent", "For Sale" or other sign of any kind shall be erected or displayed on any of the subject property or on any structure thereon unless the Association has approved in writing the design, materials, lettering, size and location of said sign.

(f) PROPERTY TO BE MAINTAINED IN CLEAN CONDITION ETC.

No weeds, underbrush, or other unsightly growths shall be permitted to grow or remain upon any lot, and no refuse pile or unsightly objects shall be allowed to be placed or suffered to remain anywhere thereon; and in the event that any owner shall fail or refuse to keep his demised premises clean and free of weeds, underbrush or refuse piles or other unsightly growths or objects, then the Association may enter upon said premises and remove the same at the expense of the owner, and such entry shall not be deemed a trespass. All garbage or trash containers must be placed in areas designated by Developer or Association.

(1) Whether civil, criminal, administrative or investigative, other than one by or in the right of the Association to procure a judgment in its favor, brought to impose a penalty or liability on such person for an act alleged to have been committed by such person in his capacity of Director or officer of the Association, or in his capacity as Director, officer, employee or agent of any corporation, partnership, joint venture, trust or other enterprise which he served at the request of the Association, against judgments, fines, amounts paid in settlement and reasonable expenses, including attorneys' fees, actually and necessarily incurred as a result of such action, suit or proceeding or any appeal therein, if such person acted in good faith in the reasonable belief that such action was in the best interest of the Association, and in criminal actions or proceedings, without reasonable ground for belief that such action was unlawful. (b) The foregoing rights of indemnification shall not be deemed to limit in any way the powers of the Association to indemnify under applicable laws.

8716 669

ARTICLE XIV

TRANSACTION IN WHICH DIRECTORS OR
OFFICERS ARE INTERESTED

(a) No contract or transaction between the Association and one or more of its directors or officers, or between the Association and any other corporation, partnership, association, or other organization in which one or more of its directors or officers are directors or officers, or have a financial interest, shall be invalid, void or voidable solely for this reason, or solely because the director or officer is present at or participates in the meeting of the Board or committee thereof which authorized the contract or transaction, or solely because his or their votes are counted for such purpose. No director or officer of the Association shall incur liability by reason of the fact that he is or may be interested in any such contract or transaction.
