Dear Haiti and executive board members,

I would like to once again express my sincere gratitude for the approval and the opportunity to provide landscaping maintenance services for your community. It is truly my desire to move forward; however, I regret to inform you that due to unforeseen personal circumstances beyond my control, I will be unable to commence services in June as originally scheduled.

I sincerely apologize for any inconvenience this may cause and fully understand if this requires you to consider alternative service providers. Please know that I remain committed to working with you, and I will be available as soon as my situation allows me to resume offering my services.

It would be my privilege to continue serving your community, as I have over the past 10 years, always striving to deliver the highest standard of quality.

Thank you for your understanding and consideration.

Sincerely,

Elvis Hernandez

Owner of Pinar Del Rio Landscaping
